ABOUT US

We are Samkin Treasure Molders Pvt. Ltd. (Formerly Samkin Industries), a leading manufacturer and exporter of high quality PET, HDPE, PP and LDPE Bottles, Jars, Caps, Closures, Inner Plugs; for the Personal Care, Pharmaceutical, Cosmetics, Perfume Industry and many other Industries.

Our journey began in 1997 and our expertise, coupled with the knowledge of markets as well as a sound technical understanding of the founder, helped us to earn a remarkable share in both the domestic and export markets. Further, our quest for a flexible and reliable service provider and a deep understanding of customers' needs enabled us to develop the best range of products for our clients.

We have around 3000 products for the customer to choose from which includes Bottles, Caps, Closures and Pumps. We manufacture bottles from ranging from 3 ml to 8000 ml and caps from 8.6 mm to 120 mm.

At Samkin, we pride ourselves on our commitment to excellence in manufacturing. With a focus on innovation, quality, and sustainability, we strive to deliver the highest standards in every product we create. Explore our brochure to learn more about our capabilities and how we can partner with you to bring your vision to life.

PRODUCT DEVELOPMENT LIFECYCLE

01 Receive Customer specifications / sample and Prepare Drawing (0.5-1 Week)

02 Based on drawings, get a 3D Rapid Prototype (Plastic) ready (0.5-1 Week)

05 Receive Die-Tools-Conduct testing and make samples (4-6 Week)

04 Finalize vendor for die-tool development-Explain requirement and provide drawing (0.5-1 Week)

03 Get customer approval, and prepare Die-Tool drawings (1 Week)

06 Carry out die-tool re-work/improvement (if required) and prepare for production (0.5-1 Week)

OUR SERVICES

Custom Manufacturing: From concept to production, we specialize in custom manufacturing solutions tailored to your unique requirements. Our experienced team utilizes state-of-the-art technology and processes to deliver superior results every time.

Precision Moulding: With advanced machines For ISBM, IM, IBM and EBM; we ensure precise and accurate products for various industries spanning across different sectors such as Personal Care, Cosmetics, Perfume, Pharmaceuticals And Many Others.

Value Addition Services: We offer a host of other services like Pad Printing, Screen Printing, Digital Printing, Hot Foil Stamping, Heat Transfer, UV Metalizing, Soft Touch Coating, Colour Coating etc....., all of which help our clients to make their product stand out amongst the crowd.

Quality Assurance: Quality is at the forefront of everything we do. Our dedicated Quality Assurance team conducts inspections throughout the manufacturing process to ensure that the highest standard products get delivered to our customers.

What we need to know to make the perfect bottle or jar for you.
